IMPACT: State

Summary of Legislation: This bill requires the Bureau of Motor Vehicles (BMV) to adopt rules to: (1) contract with a person to administer motorcycle operational skills tests; and (2) determine a charge to cover the direct costs of administering the operational skills tests. It repeals the definition of "certified motorcycle operational examiner".

Effective Date: Upon passage; July 1, 2006.

Explanation of State Expenditures: Requiring the BMV to adopt rules (Part 1) will have no fiscal impact. This would be accomplished within the current rule-making procedures for the BMV. The fund affected is the Motor Vehicle Highway Account (MVHA) which supports the BMV.

Determining a charge to cover the direct costs of administering the operational skills test (Part 2) will have an indeterminable impact on the BMV.
